KATZ ON DOGS: A COMMONSENSE GUIDE TO TRAINING AND LIVING WITH DOGS

Random House Inc, Westminster, Maryland, U.S.A., 2006. Soft Cover. Book Condition: New. In a nation where our love of dogs keeps growing and dog ownership has reached an all-time high, confusion about dogs and their behavioral problems is skyrocketing. Many dogs are out of control, untrained, chewing up furniture, taking medication for anxiety, and biting millions of people a year. Now, in this groundbreaking new guide, Jon Katz, a leading authority on the human-canine bond, offers a powerful and practical philosophy for living with a dog, from the moment we decide to get one to the sad day when one dies. Conventional training methods often fail dog owners, but Katz argues that we know our dogs better than anyone else possibly could, and therefore we are well suited to train them. It is imperative, he says, that we think rationally and responsibly about how we choose, train, and live with the dogs we love, and the more we learn about ourselves, the better we can recognize their wonderful animal natures. Misinterpreting dogs is a profound obstacle to understanding them.
