

## Being a Good Patient Can Save Your Life: A Guide to Improve Your Medical Care Now and Long Term.

By Alexander L Sytman M D

Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book. Getting great medical care may be more complex and difficult in the near future. Being a Good Patient does not mean being just polite or pleasant. The concept here indicates that we, as patients, must take control of our future. This book, written by an experienced physician who always advocated for his patients, gives valuable tips on many subjects that will help the patient to have a more rewarding and safer journey in the medical community. Dr. Sytman practiced in Seattle and has certification in Internal Medicine, Cardiology and Interventional Cardiology. He has been involved in Quality Improvement during his entire career. In this book he also writes about some his interesting patients and experiences.
