

## The ISIS Apocalypse

By William McCants

Macmillan USA Aug 2016, 2016. Taschenbuch. Book Condition: Neu. 208x141x22 mm. Neuware - The so-called Islamic State, or ISIS, has inspired young men and women all over the world to commit horrible atrocities in its name. They have flooded into the Islamic State's stronghold in Syria and Iraq and carried out attacks under its black banner in nearly every continent, most recently in Paris. How has the Islamic State surpassed al-Qaeda to become the most popular jihadist group on the planet Its chilling mission is very specific: bring the immediate return of the Islamic empire and look ahead to the imminent doomsday. These two founding ideas, combined with a highly intelligent, meticulously organized membership, account for its popularity and shape its behavior. Its goal is not only to revive the Islamic empire but also usher in the End of Times--a concept that means ISIS anticipates a final battle that will restore the Muslim community to its medieval glory days. And they will not stop until they achieve their mission. 244 pp. English.
