Firedance Books Limited. Paperback. Book Condition: New. Paperback. 308 pages. Dimensions: 8.0in. x 5.0in. x 0.8in. They broke his sword, they cast him out, and still he returns to fight for them. Rejected by his people, stripped of his honour, betrayed by the woman he loves, Drustan desainCoid is naught but a sell-sword. But when an army of demon worshippers attacks his homeland he will risk all that he is, all that he holds dear, to deny them victory. Let the fight dictate the moves. Do not plan: act. Do not think: be. Let the fight dictate the moves. Drustan opened his eyes and threw the spear with a surge of practised muscle. He lifted his swords and leapt into the clearing. If you like your spec ficfantasy books with a darker side and with authentic military detail, youll want to buy this. Jae Erwin, author of Stillness Dancing. Another stunning and vivid tale from master world-builder Stephen Godden. Gary Bonn, author of Expect Civilian Casualties. Godden gave us a taste of his skills in last years City of Lights. Here he delivers a full-length novel (two actually, because theres more to come; hurrah!) and he doesnt disappoint. Reading Kinless is like watching a film inside your head. The scenery and situations are vividly real, and you can almost form personal relationships with the vivid cast of characters. This is intelligent, engaging storytelling, in which the goodies make you cheer, the lovers warm your cockles, and the baddies chill the blood (and gave me nightmares). Military types will relish the meticulous detail; for me, its the unfolding relationships that make this such an enjoyable read. Janet Brown, author of The Walkers Daughter. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
