Steeped in research and chock-full of learning ideas with titles to support instruction, Engaging Adolescent Learners is a must-have for principals, teachers, and staff developers. - Cris Tovani, Author of I Read It, But I Don t Get It Engagement is the missing link to all student learning, and Releah Lent has nailed it. She provides resources such as example activities for your classroom, study-group questions for ongoing professional reflection, and ideas for action research and coaching to improve your understanding of engagement...
