Reviews

Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Troubador Publishing. Paperback. Book Condition: new. BRAND NEW, Black Greek Coffee, Konstantina Sozou-Kyrkou, Want to see the darker side of Greek life? Black Greek Coffee is a collection of twenty-three short stories, most of them set in rural 20th century Greece. Laced with harrowing truths, these stories deal with the darker side of life in Greece - the domestic violence, male domination, superstition and ignorance, the strong influence of religion and suffocating traditions. Konstantina Sozou-Kyrkou paints a vivid picture of everyday life in a Greek village. Culture, landscape and traditions are a backdrop to the divisions, gaps and barriers that lie between people and their relationships. There is a prejudice and unjustified animosity that hangs in the air around them, dividing and troubling them. This series of short stories touches on themes of self-righteousness, religion, migration, chauvinism, illness, loss, death, war, superstition, honour and gender issues. Stories of the domestic, and occasionally reaching into the supernatural, they surprise, educate and challenge the reader's intellect. Written from the author's own experiences, whether she has witnessed events or met people who have faced the misunderstandings that take place in the book, Black Greek Coffee is an exciting read for any fans of powerful fiction with a sting in its tail.
