## Waiting for the Dalai Lama: Stories from All Sides of the Tibetan Debate

By Annelie Rozeboom

Blacksmith Books. Paperback. Book Condition: new. BRAND NEW, Waiting for the Dalai Lama: Stories from All Sides of the Tibetan Debate, Annelie Rozeboom, Why does the issue of Tibet rouse such passions on both sides? And is there any way to find common ground? Chinese-speaking journalist Annelie Rozeboom worked as a foreign correspondent in China for ten years. During that time she was able to interview numerous Tibetan people inside and outside Tibet, as well as Chinese residents, Western observers and the Dalai Lama himself. As these people explain their life stories, it becomes clear to the reader why they think the way they do. This book also shows how history washed over this remote kingdom and how the Tibetans and the Chinese came to take such opposing positions. This is a uniquely valuable book which approaches the emotive issue of Tibet from all angles.
