TIME FOR BED

America Star Books, United States, 2008. Paperback. Book Condition: New. 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Verna was born and raised in Houston, Texas, in 1961; she is a mother of three and a proud grandmother. As a child, she struggled all through her school years studying longer to comprehend, which was difficult. It was very frustrating for her. She did not have the joy and pleasures in reading as a child. Verna worked for Nitsch Elementary from 2001 to 2003 in the Title 1 of Reading Recovery as a paraprofessional. She worked with three lovely teachers: Peggy, Holly and Sherri. She assigned books to students weekly for homework reading and she helped in class with computer education programs. While working with students, she noticed the frustrations some students were facing. It really hit home with her. This is where she found her inspiration to write in the hopes to help children find the focus and comprehend easier. She believes learning comes from home first. When a parent reads as early as possible to their child, this opens up a window for them. It is bonding, quality time and a wonderful habit to have together, not to mention a step in the right direction that could help prevent problems down the road for your child in the near future through their school years to come.
