Date :2008-05-01 version 1. Author cut from the grand perspective of the child provides a logical basis for the theme. Therefore. the young readers in the works of opening saw a few of the character of a first-year junior high school students a vivid portrait. comic style to do now that their pain and joy. joy and sorrow. typically representing hundreds of thousands of current students living situation. This process not only works quickly to narrow the hero and the young readers in the distance. but also lay behind the story spared. and the story that the appropriate narrative perspective. Although Gushi God big nose and the dream of God is now a long beard appeared and disappeared in the clouds above. pointing. looking down the incidence of all and the first person I - the story of God's breath in telling stories of progress. However. the exercise of the whole chapter is still another omniscient narrator - the author. her children's perspective in an objective tells. Firmly grasp the child's psychological novels and their knowledge of the world. with their eyes to the reality of human life in the contemplation of the irrational behavior of human existence and the resulting damage to the environment may result in serious consequences. and their experiences and awareness to address and resolve the problem. rebuild the harmony between man and nature. so that text can be accepted and understood for the children to realize a dream of humane care of the author aims to achieve enlightenment. Contents: Xiu Qing and her high-altitude fall myth primer Chapter Chapter Chapter III of the sky in a heavy...
