Tony Morgan Live, LLC. Paperback. Book Condition: New. Paperback. 136 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. Stuck in a Funk is Tony Morgans well-crafted analysis of how leaders can help reinvigorate their churches and congregations while at the same time making a bigger impact in their ministry. Morgans work is simple and filled with practical, useful insights. The author seeks to help church pastors and other leaders to get unstuck, and remove any and all forms of clutter that might be blocking a new and better path for their ministry and congregation. The book is especially designed for the church that has been stuck for decades and is facing decline, or the church that has had a degree of success and strong impact in the recent past, yet somehow finds itself plateaued. Throughout the pages of Stuck in a Funk, Morgan shares his desire to help churches have a bigger, more effective impact on peoples lives, as well as in the communities they serve. Morgans maverick, insightful strategies are not simply theory. Rather, they are time-tested ideas and methods that have been proven from his work with churches during his successful pastoral and consulting career. In terms of a broad, overarching theme that defines the authors tactics for enhancing the quality of church leadership, Morgan prompts the reader to rethink their systems and strategies. He believes that one cannot hope to get different results without engaging a different approach. Morgan does this by providing essential wisdom and application to help churches take their next steps. Based on four previously released e-books in the Leisure Suit series, Stuck in a Funk examines why churches get stuck, how a church can move forward under a new vision, how leaders can best enact change, and how to communicate when change is needed. Stuck...
