He promised it, though agreeing it would be difficult to obtain. He required that the maiden who had been so unkind be brought into the public square and placed, naked, on a table. Then, from her back, sprang fire from which candles were lighted until each householder had, amid greatest mirth and mockery, restored light again to his dwelling. This scene was long commemorated by a bas-relief on the side of one of the town s fine houses. In the opera, the librettist weaves an allegory from this story, idealizing it, and choosing a more pleasant ending. It is where the people begin to clamor for fire that the excerpt begins. Darkness prevails, the music is first soft, then rises clamorously and...
