# APPROVED DOCUMENT L1A: CONSERVATION OF FUEL AND POWER - NEW DWELLINGS 2013

RIBA Publishing. Paperback. Book Condition: new. BRAND NEW, Approved Document L1A: Conservation of Fuel and Power - New Dwellings 2013, DCLG, Part L (2013 edition, effective 6 April 2014) requires new build homes to be 6% more energy efficient than those built under the 2010 edition's standards. In addition, there are new requirements for fabric energy efficiency and they come in two flavours - Dwelling Fabric Energy Efficiency and Target Fabric Energy Efficiency. Section 2 covers the requirements and provides...

## Reviews

*Absolutely essential study book. It normally fails to price excessive. I realized this ebook from my dad and i encouraged this publication to find out.*

-- **Mariela Stroman**

*This sort of pdf is everything and made me searching forward plus more. Better then never, though i am quite late in start reading this one. You may like just how the author compose this book.*

-- **Mae Jones**

*Excellent electronic book and helpful one. Better then never, though i am quite late in start reading this one. You wont truly feel monotony at whenever you want of your time (that's what catalogues are for relating to when you question me).*

-- **Mabelle Dach III**
