Lynda Madden Dahl: In *Living a Safe Universe*, the predecessor to this SethJane Roberts-based book, I told of how I had come to finally trust my self, which translates into living safely in my reality. This book stresses a focused application of that knowledge as it applies to the spacious presents simultaneous time and moment point. Were talking about going beyond where we are today, much deeper into our potential as consciousness in camouflage physical form, much deeper into self-trust and the freedom and safety it engenders. Lynda invites us to journey with her in learning to use our power in the moment in practical and magical ways. She proceeds with great enthusiasm, confidence, and optimism and encourages us to do the same. As usual, Lynda picks out the most important concepts in the Seth material, summarizes them crisply, expresses them clearly, and challenges us to use them not just daily, but in the moment. Her goal is as simple as it is profound: living in the moment point engenders self-trust and living in a safe universe. We become, in her phrase, Home Free At Last! Don Middendorf, Ph. D. , Professor of Physics and Consciousness Studies at The Evergreen State College In *Living a Safe Universe, Vol. 2*, Lynda once again shares her unique insights on Seths message and teachings. Her perspectives provide an exceptional illustration of how we can take command of the moment...
