Reviews

*These sorts of pdf is the greatest pdf available. It really is written in simple words and never difficult to understand. I am just very easily could get a delight of studying a written ebook.
(Mr. Allen Cassin)*

WHERE NIGHT IS DAY: THE WORLD OF THE ICU

ILR Press. Hardcover. Book Condition: New. Hardcover. 240 pages. There is no night in the ICU. There is day, lesser day, then day again. There are rhythms. Every twelve hours: shift change. Report: first all together in the big room, then at the bedside, nurse to nurse. Morning rounds. A group of doctors moves slowly through the unit like a harrow through a field. At each room, like a game, a different one rotates into the center. They leave behind a trail of new orders. Wean, extubate, titrate, start this, stop that, scan, film, scope. The steep hill the patient is asked to climb. Can you breathe on your own Can you wake up Can you live-from Where Night Is DayWhere Night Is Day is a nonfiction narrative grounded in the day-by-day, hour-by-hour rhythms of an ICU in a teaching hospital in the heart of New Mexico. It takes place over a thirteen-week period, the time of the average rotation of residents through the ICU. It begins in September and ends at Christmas. It is the story of patients and families, suddenly faced with critical illness, who find themselves in the ICU. It describes how they navigate through it and find their way. James Kelly is a sensitive witness to the quiet courage and resourcefulness of ordinary people. Kelly leads the reader into a parallel world: the world of illness. This world, invisible but not hidden, not articulated by but known by the ill, does not readily offer itself to our understanding. In this context, Kelly reflects on the nature of medicine and nursing, on how doctors and nurses see themselves and how they see each other. Drawing on the words of medical historians, doctor-writers, and nursing scholars, Kelly examines the relationship of professional and lay observers to the meaning...
