By J A Lapham

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Wisconsin: Its Geography and Topography, History, Geology, and Mineralogy: Together With Brief Sketches of Its Antiques, Natural History, Soil, Productions, Population, and Government A new edition of this work being called for, the Author has revised it, adding such important or useful information as he has been able to collect since the publication of the first edition. The work was originally given to the public with the hope, not only of furnishing the thousands of new comers, who are annually flocking to our Territory, and to others, in a cheap and convenient form, a large amount of useful information, which it would be difficult for them to obtain from any other source; but also to preserve for the future historian many interesting facts which might otherwise soon be forgotten and lost. The Author is fully sensible of its defects and omissions, but hopes that due allowance will be made, when it is considered that this is the first attempt of the kind relative to a country more than twice the extent of the great state...
