Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Esther s life was as perfect as anyone s could be. She had a happy marriage of 29 years, good health and financial stability. One afternoon, she notices unexplained bruising on her arms and takes herself to a local emergency room. What follows is a diagnosis of a life threatening illness called Aplastic Anemia (a one in one million probability of occurring). Esther s only chance for survival is a bone marrow transplant. Will a donor be found and if so, will she survive the potentially dangerous protocol of the transplant itself? This is not only the story of Esther s struggle for survival but also the story of an incredible love shared by two people. With a few miracles thrown in along the way, Esther s experiences reveal a world known to few and give insight as to the difficult battles that must be fought by some in order to survive. Told with raw, gripping honesty this book will make you realize that life must never be taken for granted.
