GHOSTS OF NEW ORLEANS

Gemcraft Books, Australia, 2000. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. New Orleans is haunted. Its rich culture and stormy history make the city a haven for supernatural activity. Based on a six-year scientific study by the International Society for Paranormal Research (ISPR), this book separates facts from folklore and local legends, taking the reader on a fascinating trip through more than 25 different haunted properties. Spend a night in the Bourbon-Orleans Hotel, where there are many guests besides the ones on the registry. Stop by O'Flahertys Irish Channel Pub, and find out why there are security bars on the third floor windows. Step aboard light aircraft carrier USS Cabot to encounter crew members who were lost years ago in a kamikaze attack. In addition to the thrill and suspense of the profiles themselves, this book is a firsthand account of paranormal research. ISPR, founded in 1972, is an internationally renowned organization devoted to the study of ghosts and the paranormal. The group has investigated properties worldwide, often with amazing results. With these expert guides, prepare for a fabulous tour of a spectacular city!.
