Brand New Book ***** Print on Demand *****.Excerpt from Music Appreciation Taught by Means of the Phonograph for Use in Schools The main purpose of this text is to fill the heart and soul of the child with the spirit and love of the beautiful, that he may live more abundantly and seek wholesome and attractive entertainment in his leisure hours. Any child who has been taught to listen to all the beautiful records provided in this Course will go out into the world with his mind and heart open to the cultural and ethical significance of the finer things of life. Time was, when it seemed necessary for a student of music to drudge through long years of practice and drill, to attain finally the pleasure of music appreciation. By these tedious processes, only the rare and gifted few ever reached the ultimate joys they sought. Is not, then, the child of today exceedingly fortunate to be living in an age when it is entirely unnecessary for him to pass through such laborious exorcises? Tho invention of the phonograph, followed by its adaptation...
