GETTING TO KNOW ALICE

Rosen Classroom, United States, 2014. Paperback. Book Condition: New. 198 x 196 mm. Language: English . Brand New Book. Alice is one of several programming environments that use prewritten code to help get beginners started with coding. This animated overview discusses Alice s history and development, why it was created, and how it has made programming fun and easy for novice coders. Readers will learn how to access and start using Alice, its requirements, and its strengths and weaknesses. Examples of the terms and commands give readers an idea of what to expect when using Alice. Examples of projects created using Alice will encourage readers to try it out for themselves.
