

Creating Your Business Vision: A Step-By-Step Guide for Designing the Work Youve Always Wanted to Do

By Michael Nichols

Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 62 pages. Dimensions: 8.0in. x 5.2in. x 0.1in. If you're like the average business person, you want to be less stressed and more productive in your work. And you need help! Creating Your Business Vision provides a simple, step-by-step guide to bring about dramatic improvements in your work, your team, and your organization. Whether you're an author, coach, consultant, corporate executive, creative, doctor, entrepreneur, nonprofit leader, lawyer, pastor, or professor, developing a vision for your work will finally give you the clarity and focus you've been looking for and give you the freedom to do what only you can do. Most organizations have a vision statement somewhere in a file or on a conference room wall. Yet, unfortunately, these vision statements seldom serve as an energizing guide toward exponential growth and remarkable success for the organization. A vision is energizing. It's enlivening. Vision is the guiding motivation for all great human efforts. My problem was not vision I didn't understand how to get focused and stay focused on the vision. I was not communicating vision effectively. To address these challenges, I developed a tool to help me think through...

Reviews

Definitely one of the better books we have possibly read. We have read through and I am certain that I am going to study it once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
