

The Forbidden Stone

By Tony Abbott

Paperback. Book Condition: New. Not Signed; RICK RIORDAN meets DAN BROWN in this epic historical adventure series packed full of puzzles, clues and edge-of-your-seat excitement! Legend has it that Copernicus found twelve powerful relics that could harness the cosmos and transport people through time when assembled in the shape of an astrolabe. Recognising the astrolabe's terrible power, Copernicus hid the relics in far-flung corners of the globe and assigned loyal Guardians to pass down the duty of protecting the relics across the ages. In the wrong hands, the astrolabe could control the world. That's exactly what Galina Krauss and her powerful Teutonic Order plan to do once she collects all the pieces and reassembles them. She's already infiltrated the Guardians and broken down their defences. Humankind won't know what's happened until it's too late. What Galina doesn't know is that a letter, the Guardians' last cry for help, has fallen into the hands of four young friends - Wade, Lily, Darrel and Becca. Four young friends who are about to find themselves caught up in a centuries-old battle to save fate itself. book.

Reviews

I just started off reading this article publication. This really is for all who statte there had not been a really worth looking at. You will not feel monotony at anytime of your own time (that's what catalogs are for about should you ask me).

-- Prof. Jeremie Kozey

This pdf is definitely not straightforward to get started on studying but extremely exciting to see. It generally does not charge an excessive amount of. Your lifestyle period is going to be convert once you full looking over this publication.
