Not illustrated. 1904 Excerpt: .like types in vogue, and it is to be presumed that a well directed effort was made by the framers of the same to embody therein the best features of the most perfect types. I fully realize that such a task was not an easy one. It seems to me, however, that said code, in its present form, is incomplete, as regards the subject matter of the same, and also vague and uncertain in a number of particulars, more especially by reason of a number of amendments of doubtful purport. With regard to matters properly embodied in such a code, my views are necessarily based upon types which it has been my care to examine, also upon what seems to me should be embodied in an orderly and complete system, such views being offered for your consideration, with the hope that they contain something, which, with your cooperation, will result in some benefit. It seems to me that a code of civil procedure should embody something more than pleadings and its incidents. That it should, among other things, clearly define the jurisdiction and powers of the several courts, including that of justice of the peace, probate, district, and supreme courts; that the practice, evidence and procedure applicable to the various actions should be accurately prescribed and defined from the time of filing the complaint to the completion of the cause in the court of last resort, including as well appellate procedure; and that all matters should...
