### ***Reviews***

*Great eBook and useful one. it was actually writtern really completely and useful. You are going to like the way the article writer publish this publication.*

*(Prof. Ernestine Emard)*

## IT MAKES SENSE: THE HANDBOOK TO BELIEVING

Scripture Union Publishing. Paperback. Book Condition: new. BRAND NEW, It Makes Sense: The Handbook to Believing, Stephen Gaukroger, 'Can I trust the Bible'? 'Why does God allow suffering'? 'What about other religions'? 'Doesn't science disprove Christianity'? 'Isn't the church full of hypocrites'? These are the kind of crunch questions every enquirer and new Christian wants to ask. And this is the book they can turn to for head-on answers, and a down-to-earth look at Christianity. "It Makes Sense" has sold well over 100,000 copies since it first appeared in 1987 and is an undoubted winner. This latest edition has a contemporary new cover, a new size, and is enhanced with new illustrations throughout. The text has been totally updated and refreshed for the 21st century. The style is engaging, readable, down-to-earth and frequently very funny. It is easily the best, most readable book of its kind available. It is a book with street-cred that you wouldn't be embarrassed to give to anyone.
