Knopf, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "There's never been a biography quite like this one . . . The stories are rich with contradiction and humanity, and so raw and immediate you can smell the salt air." - Publishers Weekly Best Books of 2011: The Top 10 "Rich and enthralling . . . Paul Hendrickson is a deeply informed and inspired guide. He often appears in the first person, addressing the reader and exhorting him or her to speculate, imagine, or feel. He has researched exhaustively, been to the places Hemingway frequented, and talked to whoever was part of or had a connection to the Hemingway days. His diligence and spirit are remarkable. It is like traveling with an irrepressible talker who may go off on tangents but never loses the power to amaze . . . Hemingway's Boat is a book written with the virtuosity of a novelist, hagiographic in the right way, sympathetic, assiduous, and imaginative. It does not rival the biographies but rather stands brilliantly beside them-the sea, Key West, Cuba, all the places, the life he had and gloried in. His commanding personality comes to life again in these pages, his great charm and warmth as well as his egotism and aggression." -James Salter, The New York Review of Books "Large-minded [and] rigorously fair . . . An indispensable document . . . With this sterling summation of the entire Hemingway canon, Hendrickson shows what has eluded some very able scholars. A writer's life can contain two conflicting existences, one of purely original genius and one of irreversible destructiveness. It's a lucky genius who gets credit for the first and a free pass on the second. Hendrickson issues no free pass to Papa. He gives the...
