It will leave you wanting to meet a Varlon of your own! A story for all genders review from A1 Kindle top reviewer A lovely mix of social science, science fiction and even tender relationships. Great characters and a wonderful feel good story. Jon Baker A human story in an alien context Excerpt: Varlon was close to despair. All the humans he had tried to speak with had either looked at him as if he was dishonourable or they had just turned away from him. He looked too different. The jeans, shirt, boots, scarf and baseball cap he was wearing to try to fit in still left him looking too big, too hairy and his voice sounded too deep. He didnt think his scales showed. He was worried that the mission to Earth he had so casually accepted might fail. It did not seem possible to talk with anyone to try to gain understanding of them. He would try one more person. He had observed her for some time from the hedges around her home. She seemed to live alone. This item ships from La Vergne, TN. Paperback.
