Rebellion. Paperback. Book Condition: new. BRAND NEW, Meeting Infinity, Jonathan Strahan, James S. A. Corey, Madeline Ashby, Kameron Hurley, Nancy Kress, The world we are living in is changing every day. We surf future shock every morning when we get out of bed. And with every passing day we are increasingly asked: how do we have to change to live in the future we are faced with? Whether it's climate change, inundated coastlines and drowned cities; the cramped confines of a tin can hurtling through space to the outer reaches of our Solar System; or the rush of being uploaded into some cyberspace, our minds and bodies are going to have to change and change a lot. Meeting Infinity will be one hundred thousand words of SF filled with action and adventure that attempts to answer the question: how much do we need to change to meet tomorrow and live in the future? The books of the "Infinity Project" trace an arc: from the present day into the far future, and now from the broad canvas of interstellar space to the most intimate space of all - ourselves.
