Completely essential read through publication. It normally does not expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

T4T: A DISCIPLESHIP RE-REVOLUTION

Wigtake Resources LLC, United States, 2011. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book. In 2001, the Southern Baptist International Mission Board began tracking an Asia-based Church Planting Movement, a rapid multiplication of new church starts, that exceeded anything they had witnessed in the organization's 156-year history. By the end of the decade, this movement of God had seen 1.7 million baptisms and 150,000 new church starts. Ying Kai and his wife Grace, Chinese-American Southern Baptist missionaries, developed the outreach and church planting program called Training for Trainers or T4T as a means of addressing the overwhelming challenge of an unreached people group numbering tens of millions of lost souls. The Kais felt led of God to train multiplying generations of national partners who in turn would train generations of the same. In T4T: A Discipleship Re-Revolution fellow-Baptist missionary and author Steve Smith captures the story, principles, and spirit of Ying Kai's T4T. In this engaging 350-page book, Smith describes how God is at work in the fastest growing church-planting movement in the world today, and how its principles can be applied in your own ministry. T4T has already proven itself by adapting well to many other ministries, infusing them with reproducibility that enhances rather than competes with their own distinctive kingdom contribution. Learn more about T4T from its dedicated website.
