## THE MEMORY STRING

Houghton Mifflin Harcourt Publishing Company. Paperback. Book Condition: new. BRAND NEW, The Memory String, Eve Bunting, Each button on Laura's memory string represents a piece of her family history. The buttons Laura cherishes the most belonged to her mother - a button from her prom dress, a white one off her wedding dress, and a single small button from the nightgown she was wearing on the day she died. When the string breaks, Laura's new stepmother, Jane, is there to comfort Laura and search for a missing button, just as Laura's mother would have done. But it's not the same - Jane isn't Mom. In Eve Bunting's moving story, beautifully illustrated by Ted Rand, Laura discovers that a memory string is not just for remembering the past: it's also for recording new memories.
