*This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.

May it extend many years over a united people, loyal to her and to their own rights! We generally call the Netherlands Holland. The people in Holland are very much like our American folk, --quite industrious, frank, lovers of liberty, and home-makers. But Queen Wilhelmina must expect some thorns with her many roses. We have not tried it, but we think a king or a queen may often wish he or she were somebody else, and not wearing a crown. Do you suppose she will look at things the way Marcus Aurelius Antoninus did, whose picture we give on page 85? He, too, sat on a throne. He, too, lived in a palace. But he thought it very hard to be happy, and often wanted to exchange places with some humble subject. As emperor, he had power, money, --all the good things of life, as we say. But he struggled all his life to enjoy his position. Instead of plunging into pleasure, he tried to do good, to be just, to make friends, to rule nobly, to satisfy his conscience. Not many emperors were ever like him. He was not perfect, and did wrong; but humility inhabited his heart, and a splendid spirit filled his character. In our country we are all kings and queens. So we must be careful to govern ourselves well first of all. That was what Antoninus tried to do, and that is what...
