Brand New Book ***** Print on Demand *****.Grandma, Does My Moon Shine Over Your House? is the story of a little girl who wants to know more about the moon and calls her grandma. The girl imagines what the moon looks like traveling (such as wearing a hat and sunglasses and carrying a briefcase). Explore the imagination of a child as she thinks about the moon and whether her grandma sees the same moon that she does. How many times have grandparents, parents, children and grandchildren asked that question? The book is co-authored by the mother/daughter team of Mary Hansen Freund and Jane Freund. Grandma, Does My Moon Shine Over Your House? has special meaning because Mary Hansen Freund died in August 2009.
