America Star Books, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.As an admirer of the work of painter, poet, and graphic artist Rob Komen, it is a privilege to say something about the poetry collection he wrote. Again and again, I experience the intense atmosphere, the atmosphere, and honest approach to the subjects in his visual work. Rob Komenr has the power, in addition to his other art forms, an impressive way to show his feelings in verses and thoughts. In the poems about a landscape, a season, a city, a street and a farewell, I see the same depth of emotions as in his visual work. Jan van Wijk Composer Member of Bergen Arts Centre Board of Adriaan Roland Holst Fund For more information on Rob Komen was born on April 23, 1953 in Alkmaar. He is an inspiring teacher of visual arts in a University and also a primary school teacher, where he teaches children about painting and poetry. This painter, graphic artist, illustrator, photographer and poet staged several exhibits and received several awards for his work. This collection of poems is a first step towards a larger publicity. His poems are characterized by the simplicity of approach, warm language and his own view of reality. Gerhard Hartdorff, Neerlandicus.
