THE GEOMETRY OF LOVE

DOWNLOAD

She Writes Press. Paperback. Book Condition: New. Paperback. 292 pages. Dimensions: 8.4in. x 5.5in. x 0.6in. Why is it easier for a woman to be a muse than to have one? Can one be fully creative in art or life without the inspiration of erotic love? These are the questions asked in *The Geometry of Love*, a novel set in New York in the 1980s, then fast-forwarding to Northern California 20 years later. Julia, an aspiring poet, is living with her British boyfriend Ben, a restrained professor at Princeton, when she has a chance meeting with Michael, a long-ago friend. A charismatic composer, Michael was once a catalyzing muse for her, but now returns as a destabilizing influence. Julia longs to become involved with Michael, but hesitates to give up the security of her relationship with Ben. When Michael signals he is too wounded to make a commitment, Julia turns her triangular situation into a square by setting him up with a cousin. In the process she discovers, as Pascal once said, that the heart has its reasons which reason does not know. This deeply psychological tale explores the surprising ways we make romantic choices. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
