

Healing Circles: Grieving, Healing and Bonding with Our Animal Companions

Filesize: 6.42 MB

Reviews

This pdf is wonderful. It really is written in simple terms instead of hard to understand. It's been developed in an exceedingly simple way and it is just after I finished reading this ebook in which I fact modified me, alter the way in my opinion.

HEALING CIRCLES: GRIEVING, HEALING AND BONDING WITH OUR ANIMAL COMPANIONS

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Healing Circles: Grieving, Healing, and Bonding with Our Animal Companions, is a guide for those grieving the loss of a cherished pet, as well as a celebration of the healing bond between people and their animals. This book contains practical suggestions for working through pet grief, along with accounts of how other people have experienced loss, healing, and bonding. Joy Davy, a Licensed Clinical Professional Counselor with a special focus on Pet Grief, offers insights into the depth of the human-animal bond, as well as ways to grow through the pain of bereavement. The intense pain we may experience after the death of a pet is called a disenfranchised grief, meaning it is a grief that society does not recognize. Healing Circles gives reassurance and comfort, and offers the words to teach others to respect your loss. You will find a guided imagery for re-connecting with your pet and some ideas for memorializing the bond. You will find an exploration of how children and your other pets may experience grief, and how to help them, and a discussion of when to consider bringing another animal companion home, and how to create a loving bond with that pet. Throughout this book, you will see examples of how animals heal us, and how we heal them, as well. Our bonds with animals are uncomplicated by grudges, criticisms or judgments. Many people today find that their greatest emotional support comes from their pets. We are more stressed than ever before. We are nutritionally impoverished, sleep-deprived, frazzled from over-scheduling and trying to multi-task. The human beings we love may not be present for us, because they are on their smart phones. And...
